Description

This spectacular split bedroom design by Nelson Design Group blends the warmth of country living with classic southern tradition in a detailed porch with round columns on stone pillars. The spacious great room has a built-in media center, fireplace and wall of windows leading to a breakfast room/kitchen combination sharing a handy breakfast bar. The large master suite accesses a column lined rear porch and has a private bath featuring a corner whirlpool bath, makeup area and large walk-in closet. Three additional bedrooms with two shared bathrooms complete the main level. Upstairs, you'll find several bonus rooms with creative ceilings and dormer windows.
