Description

The open floor plan of this rustic home runs throughout all 3 of the levels. The massive wrap-around porch continues to the rear of the home and features a fireplace and grilling area for enjoying the evenings. With entrances to the main floor from the front, side and rear, you'll appreciate the openness of the large Great Room to the kitchen and dining room. The kitchen offers an eat-at, angled island bar with a walk-in pantry in the corner. The Master Bedroom is located at the front of the home and features a large walk-in closet. Upstairs are 2 more bedrooms, a sleeping loft, and balconies that overlook the Great Room and the foyer, providing a more airy feel. The lower level features a huge Media Room with another fireplace and another kitchen with an eat-at island bar, ideal for entertaining. There's also a large mechanical room and an optional bedroom. Finally, the huge covered back patio offers more space for family gatherings and entertaining.
