Description

This wonderful open floor plan offers plenty of space, including a 4-car, side loading garage and an optional Daylight Basement for even more potential space. The massive Great Room of this home features a vaulted ceiling and a fireplace, flanked by doors that lead to the large Outdoor Living/Grilling Porch. The Great Room is also open to the breakfast room and kitchen that features a large eat-at island bar, a prep island bar, a large walk-in pantry and a butler's pantry. Beyond the butler's pantry is the Dining Room with the front wall having arched windows to allow for maximum natural light. The very spacious Master Suite boasts a corner fireplace and vaulted ceiling, further adding to the feel of space. The master bath with spoil you with a raised corner whirlpool with a gas fireplace behind it, a large corner glass shower with a seat, and a giant walk-in closet. Just down the hall is a convenient closet and the laundry room with plenty of space, and even has a pet shower. Off of the foyer and Great Room is the Office/Media/Theater with its front rounded wall floor to ceiling windows, again, for maximum natural lighting. Bedrooms 2, 3, and 4 are on the left

side of the home with a Jack and Jill bath between bedrooms 2 and 3 and another bath next to bedroom 4. The Optional Daylight Basement would offer a huge Game Room, complete with a kitchen and a Safe Room off of it, a huge Storage/Workout Room, and access to the Rear Covered Patio.
