Description

Don't let the view from the front of this house plan fool you into thinking there is no space inside. This house plan shows off the rustic charm on the exterior and expertly used space on the interior. The open concept great room, kitchen, and breakfast room feature a stone gas fireplace, two islands to allow lots of work space, and exposed truss beams on the ceiling. The master suite features his and her walk-in closets and a luxurious bath with a tile shower and free-standing tub. 4 additional bedrooms, 2 and half baths, a spacious laundry room, and a 2 car garage complete this plan.

Interior photos may show modification not featured in the plan. For living area alternatives, see house plan [NDG 1267](#)
