Description

As you drive up to this stunning home you'll be met with the brilliance of the high roof lines, beautiful mixed stone and brick siding and the added charm of wood shutters. The grand Entryway and Foyer greet you into your new home. To the left of the Foyer is an optional opening into the Study/Guest Room and to the right is the Formal Dining room which displays a beautiful timber beamed vaulted ceiling. If you head straight when entering the house you will find yourself in the spacious Great Room that is open to both the Kitchen and Breakfast Nook all of which share a grand timber beam vaulted ceiling as well as a wall of french door style windows to let in an abundance of natural light. From this space you also have access to the covered Grilling Porch and Outdoor Living Space. On the right side of the house are your walk-in Pantry, Laundry Room and entrance from the 3 car garage where your Safe Room is located. On the Left side of the home is Bedroom 2, a hall bath, and the Master Suite. Upstairs is a 3rd Bedroom, a Full Bath, the

balcony open to the Great Room and Dining room below, plus an option Computer Center and Bonus Room above the garage.
