Description

After a brisk fall day, hunters gather here to reminisce over the day's events. Each brother has his own rendition of how big the deer, that they encountered, really was. The days at Hunter's Den are like the leaves on a breeze, floating by with such peacefulness. As the men exchange stories on the front porch, their minds recall a time of when their parents had first built their getaway. Each brother remembered the hikes in the woods and exciting hunting trips with Dad that all began here at Hunter's Den.
