Description

Beautiful stone and siding give warmth to this French Country design. Elegance is achieved in this home by using boxed columns and ten foot ceilings. The foyer and dining rooms are lined with columns and adjoin the great room, all with high ceilings. The kitchen and breakfast room are great for entertaining and have access to the grilling porch. This split bedroom plan has a master suite with large walk-in closet, whirlpool tub, shower, and private area. A bonus room above the garage, is available with stair access near the master suite. Two bedrooms and a large bathroom are located on the other side of the great room giving privacy to the entire family.
