Description

This duplex house plan has a great brick and horizontal siding design complete with charming front porches. Step inside the Foyer of one of the units which leads to the formal Dining Room, the Great Room with a cozy fireplace, and the Breakfast Room attached to the Kitchen. Continue further through the house and you can access the Covered Patio and Courtyard with a half bath located conveniently right inside. Tucked away in the back of the house, next to the Garage, is the Master Bedroom and Master Bath with a walk-in closet, whirl pool tub, separate shower. Upstairs are Bedrooms 2 and 3 with a Jack and Jill style bathroom in between. There is also an area for an optional bonus space. The two units are mirror images of each other.
